In 2007/2008 WLCHC cared for 171 street homeless people providing 4,400 units of accommodation, and over 10,000 meals and breakfasts for those who are homeless and hungry.

Casework service

We are not just a night shelter; we also have the resources to give individuals the assistance they need to move away from the street and to rebuild their lives.

Year-round services

WLCHC provides a free laundry and shower service for our homeless guests as well as a operating a clothing store.

This year we need to raise **£215,000** to continue our services for those in need.
